2

3

### WARNING

1. Please read carefully the Operational Manual before use.
2. Please fill in qualified gasoline oil before use. Please refer to the operational manual for details of oil requirement.
3. Only refuel after engine is stopped. Check whether there is fuel leakage or overflow.
4. Do not run the engine inside room to prevent the danger of poisoning of carbon monoxide.

4

5

### MAINTAIN AIR CLEANER

Wash the air cleaner every 50 hours (if too dusty, every 10 hours) with cleanser and after dry it, dip it into clean machine oil. It can be used after superfluous oil is eliminated.

7

6
